

# **Sally Mae**

by John Lee Hooker

Sally Mae, Sally Mae  
Lord, you know you ain't treatin' me right  
Sally Mae, Sally Mae  
Lord, you know you ain't treatin' me right  
Don't do a thing but run around  
You just stay out every night...

Well, you know I love you baby  
That's why you treat me like you do  
Well, you know I love you baby  
That's why you do me like you do  
Well there's a day comin' baby  
When you're gonna ask me to help you...

Well, you're a no good bein'  
And the cops' gonna mow you down  
Well, you're a no good bein' babe  
And the cops' gonna mow you down  
If I was the Chief of Police  
I would drive you, myself, right out of town...

Sally Mae, Sally Mae  
Lord, you know you ain't doin' me right  
Sally Mae, Sally Mae  
Lord, you know you ain't doin' me right  
Don't do a thing but run around  
Hey, you just stay out every night...
