

It's Been Such a Long Time

by Rick Rykart

It's been such a long time ago
It's been such a long time ago
It's been a long, long time since I drank the wine
Yes, it's been such a long time ago...

We've had such a long way to go
We've had such a long, long way to go
We've had some hard knocks and dirty socks
Yeah, we've had such a long way to go...

But your lips and mine will meet
Ooh, your lips and mine will meet
Lovin you, honey (ooh baby) is oh, so sweet
When your lips and mine meet...

The sunshine come in the spring
The sunshine come in the spring
Everybody gonna dance and sing
When the sunshine come in the spring...

Yeah, come on...

Everybody join the band
Everybody join the band
There'll be some fun all 'round the land
If everybody joins the band !

Everybody's in the band
I said everybody's in the band right now
Good times tonight throughout the land
Because everybody came and joined the band...

Everybody clap your hands (clap your hands !)
Come on ! Everybody clap along (clap your hands !) one time
You know, all the world will be feelin fine
If everybody claps along one time !
